

Pricelist valid from 01/01/2010 and superceeds all previous lists

The Psion Teklogix IKON packs incredible functionality and flexibility into a compact form factor. Combining an integrated scanner, or images with a colour camera and with optional GPS and a full 3.7" VGA screen all within an IP65 rated body few terminals tick so many boxes as this.

Fully integrated voice and data communications eliminates the need for multiple devices reducing expenditure and support. True anytime, anywhere voice and data communications with simultaneous WIFI, Cellular (GSM/GPRS/EDGE/3G) and Bluetooth connectivity make this terminal supremely connected.
